

R

Middletown Residence

CONSTRUCTION MANAGEMENT PROJECT.

The project included the demolition of an existing structure and the construction of a new 3500 s.f. home. The exterior of the building is clad with red cedar shingles on the walls and the roof. The chimneys and the foundations are clad in stone. The Dining and Living Rooms are open under a large cathedral ceiling. The living room opens up into a three season fully enclosed screened porch.

Completion date: May 2002
Architect: William Burgin Architects
