

R

Newport Residence

CONSTRUCTION MANAGEMENT PROJECT.

The project included a comprehensive renovation to all of the existing space and included a 2000 s.f. addition with an attached Garage/Studio apartment. The exterior was clad in stucco and the roof is constructed with standing seam copper. Interior finishes include mesquite flooring with radiant heat, faux painting, wormy chestnut paneling, stainless steel counter tops in the kitchen with commercial cooking equipment.

Completion date: January 2000
Architect: Windigo Architect
